

Dear Sir or Madam,
This is politicking at its absolute lowest. Competition in the marketplace is inevitable. XM is a pay service without commercials. Since the folks who don't want to pay for radio are already used to their commercial breaks, what's the big deal?

Please reject 04-160. This is America, after all...isn't it?

Thank you for your time and consideration.

Sincerely,

Chris Goulet
Los Angeles
